# MOVABLES CONSIGNMENT

## Consignment Contract:

Movables Consignment offers consignment services to help with the pricing and selling of your household items and jewelry (furniture, art, rugs, lamps, dishware, decor, etc.). Consignors are responsible for bringing items into the store. The sale price of each item is agreed upon as a joint effort by the consignor and consignee.

Unless otherwise previously agreed upon, the consignment terms are as follows:

- The consignment period is 90 days.
- Discounts: The listed price will discount 15% after 30 days and an additional 20% discount after 60 days for a total of 35% off the original price. Consignments may be part of an additional 20% off seasonal sale. **The salesperson will consider reasonable offers when customers negotiate and may agree to a discount that slightly varies from the standard discount schedule.**
- After the item has sold, the consignor will receive 55% of the sale price. Commission checks will be mailed the month after items have sold.
- Unsold items must be picked up within 2 weeks of the end of the 90 day consignment period. During that 2 week pick up period, items will remain on the floor to be sold. After that 2 week period, Movables will take ownership of the item or donate it to a charitable cause.

## Important Notes:

Be sure to keep track of your 90 day consignment period date as Movables Consignment does NOT make phone call reminders to consignors before donating items.

Movables Consignment assumes no responsibility for the loss or damage to items left on consignment. Because consigned items are not owned by Movables Consignment, consigned items are not covered under its insurance policy.

Items may be picked up from Movables prior to 90 days at a fee of 20% of the original sale price.

There is a \$1.00 check printing & postage fee that will be deducted from each consignment check.
